

Technology Team

The Technology Team provides support to the ministries of All God's Children via current technology and innovations. We do this by providing sound and video for worship services, maintaining a presence on the web, and support the church's computer systems.

Positions Available

Since the Technology Team is involved in a wide variety of activities, we have defined the following positions to assist you in finding a place to volunteer. These positions are presented as a guideline only and we are flexible in tailoring a volunteer opportunity to match up with your skills and interests.
